Dale Sheppard - CV

Accredited Access Consultant

M: 0411 20 11 25 **E:** info@asnpl.com.au

Profile

Dale Sheppard has approximately 25 years professional and personal experience in the disability health profession. Graduating with the Head of School Award during a Bachelor of Applied Science – Disability Studies majoring in Human Movement and Minoring in Psychology. He has also completed Nationally recognized studies in Occupational Health and Safety, Workplace Assessment and Training, and Social Science and Planning.

It is with this academic background and living with a disability (Quadriplegia) that enables Dale to provide a holistic and functional approach to compliance with legislation as well as a focus on inclusion and accessibility for people with disability.

Dale holds the Accredited Access Consultant membership with the Association of Consultants in Access Australia (ACAA) since 2004 and has been practicing as an Accredited Access Consultant since that time.
